

You used to be rich, famous, successful and glorious but those days are long gone. They are lost in the abyss of times.

*You have this strange feeling of faded triumph.
What happened? And who are you?*

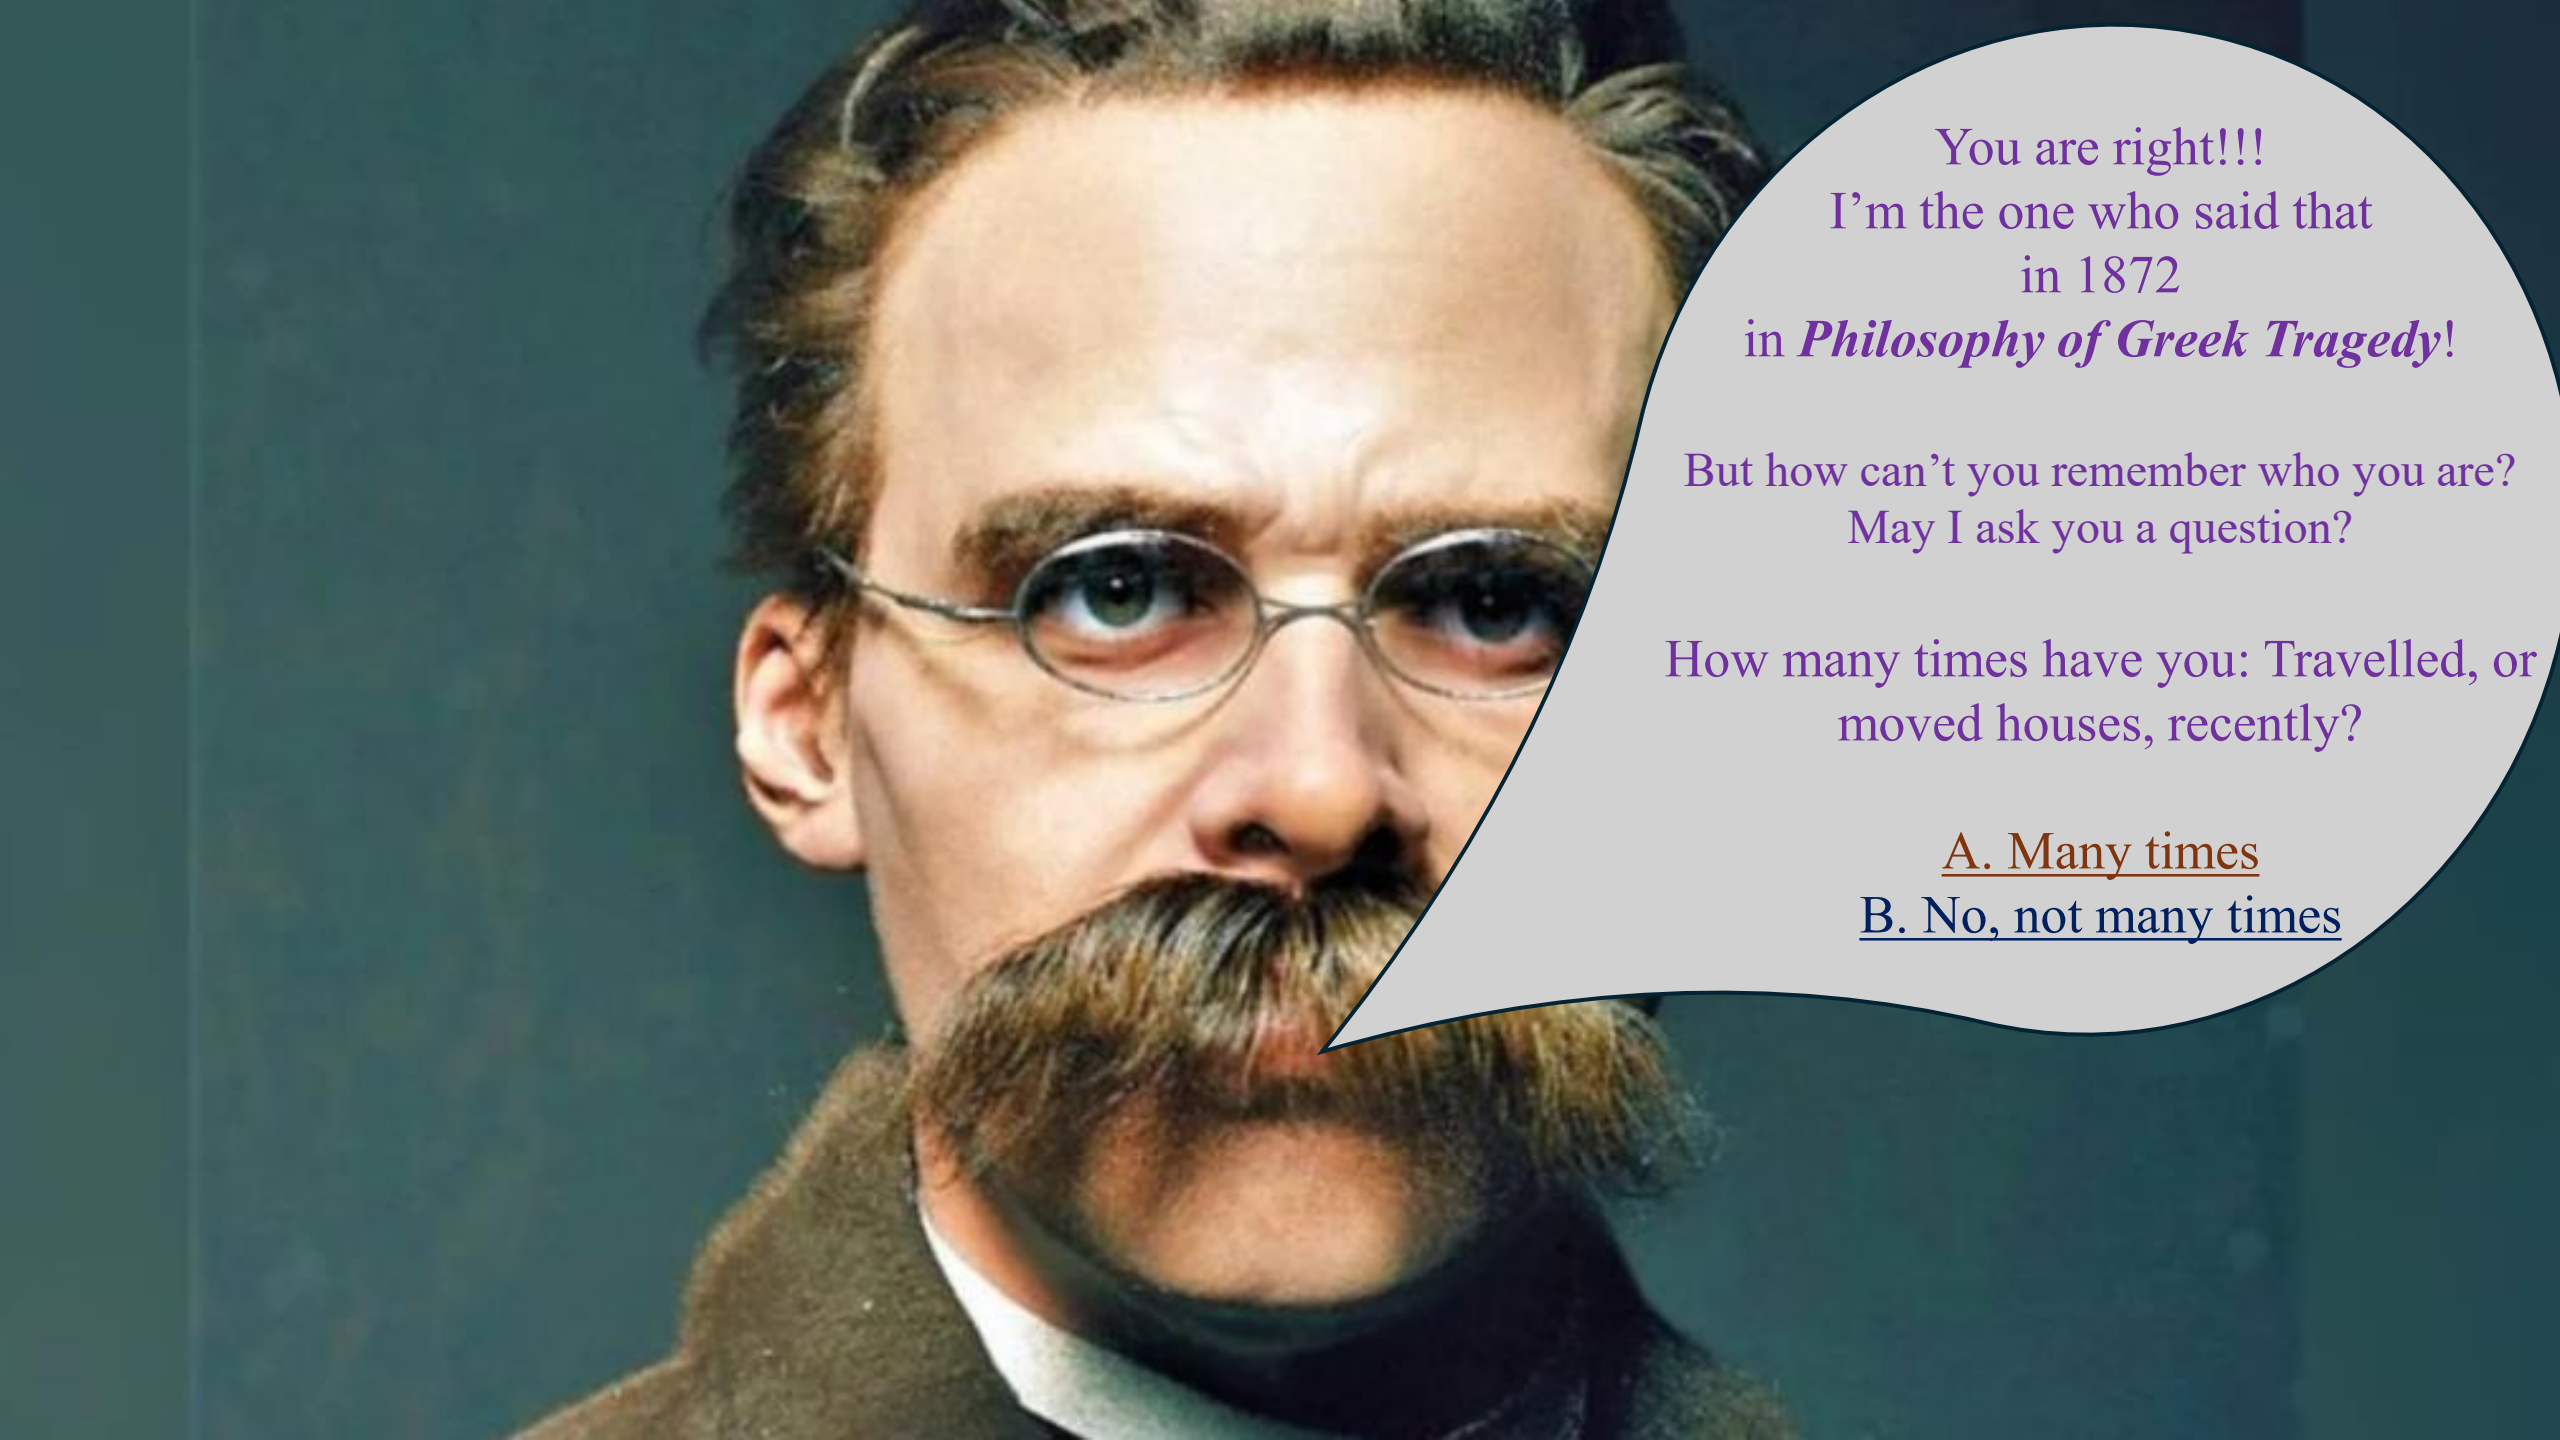

Suddenly, you hear a voice saying :

“It is in times of great danger,
when the wheel turns faster,
that great philosophers appear.”

Who is talking?

a. Nietzsche

b. Freud

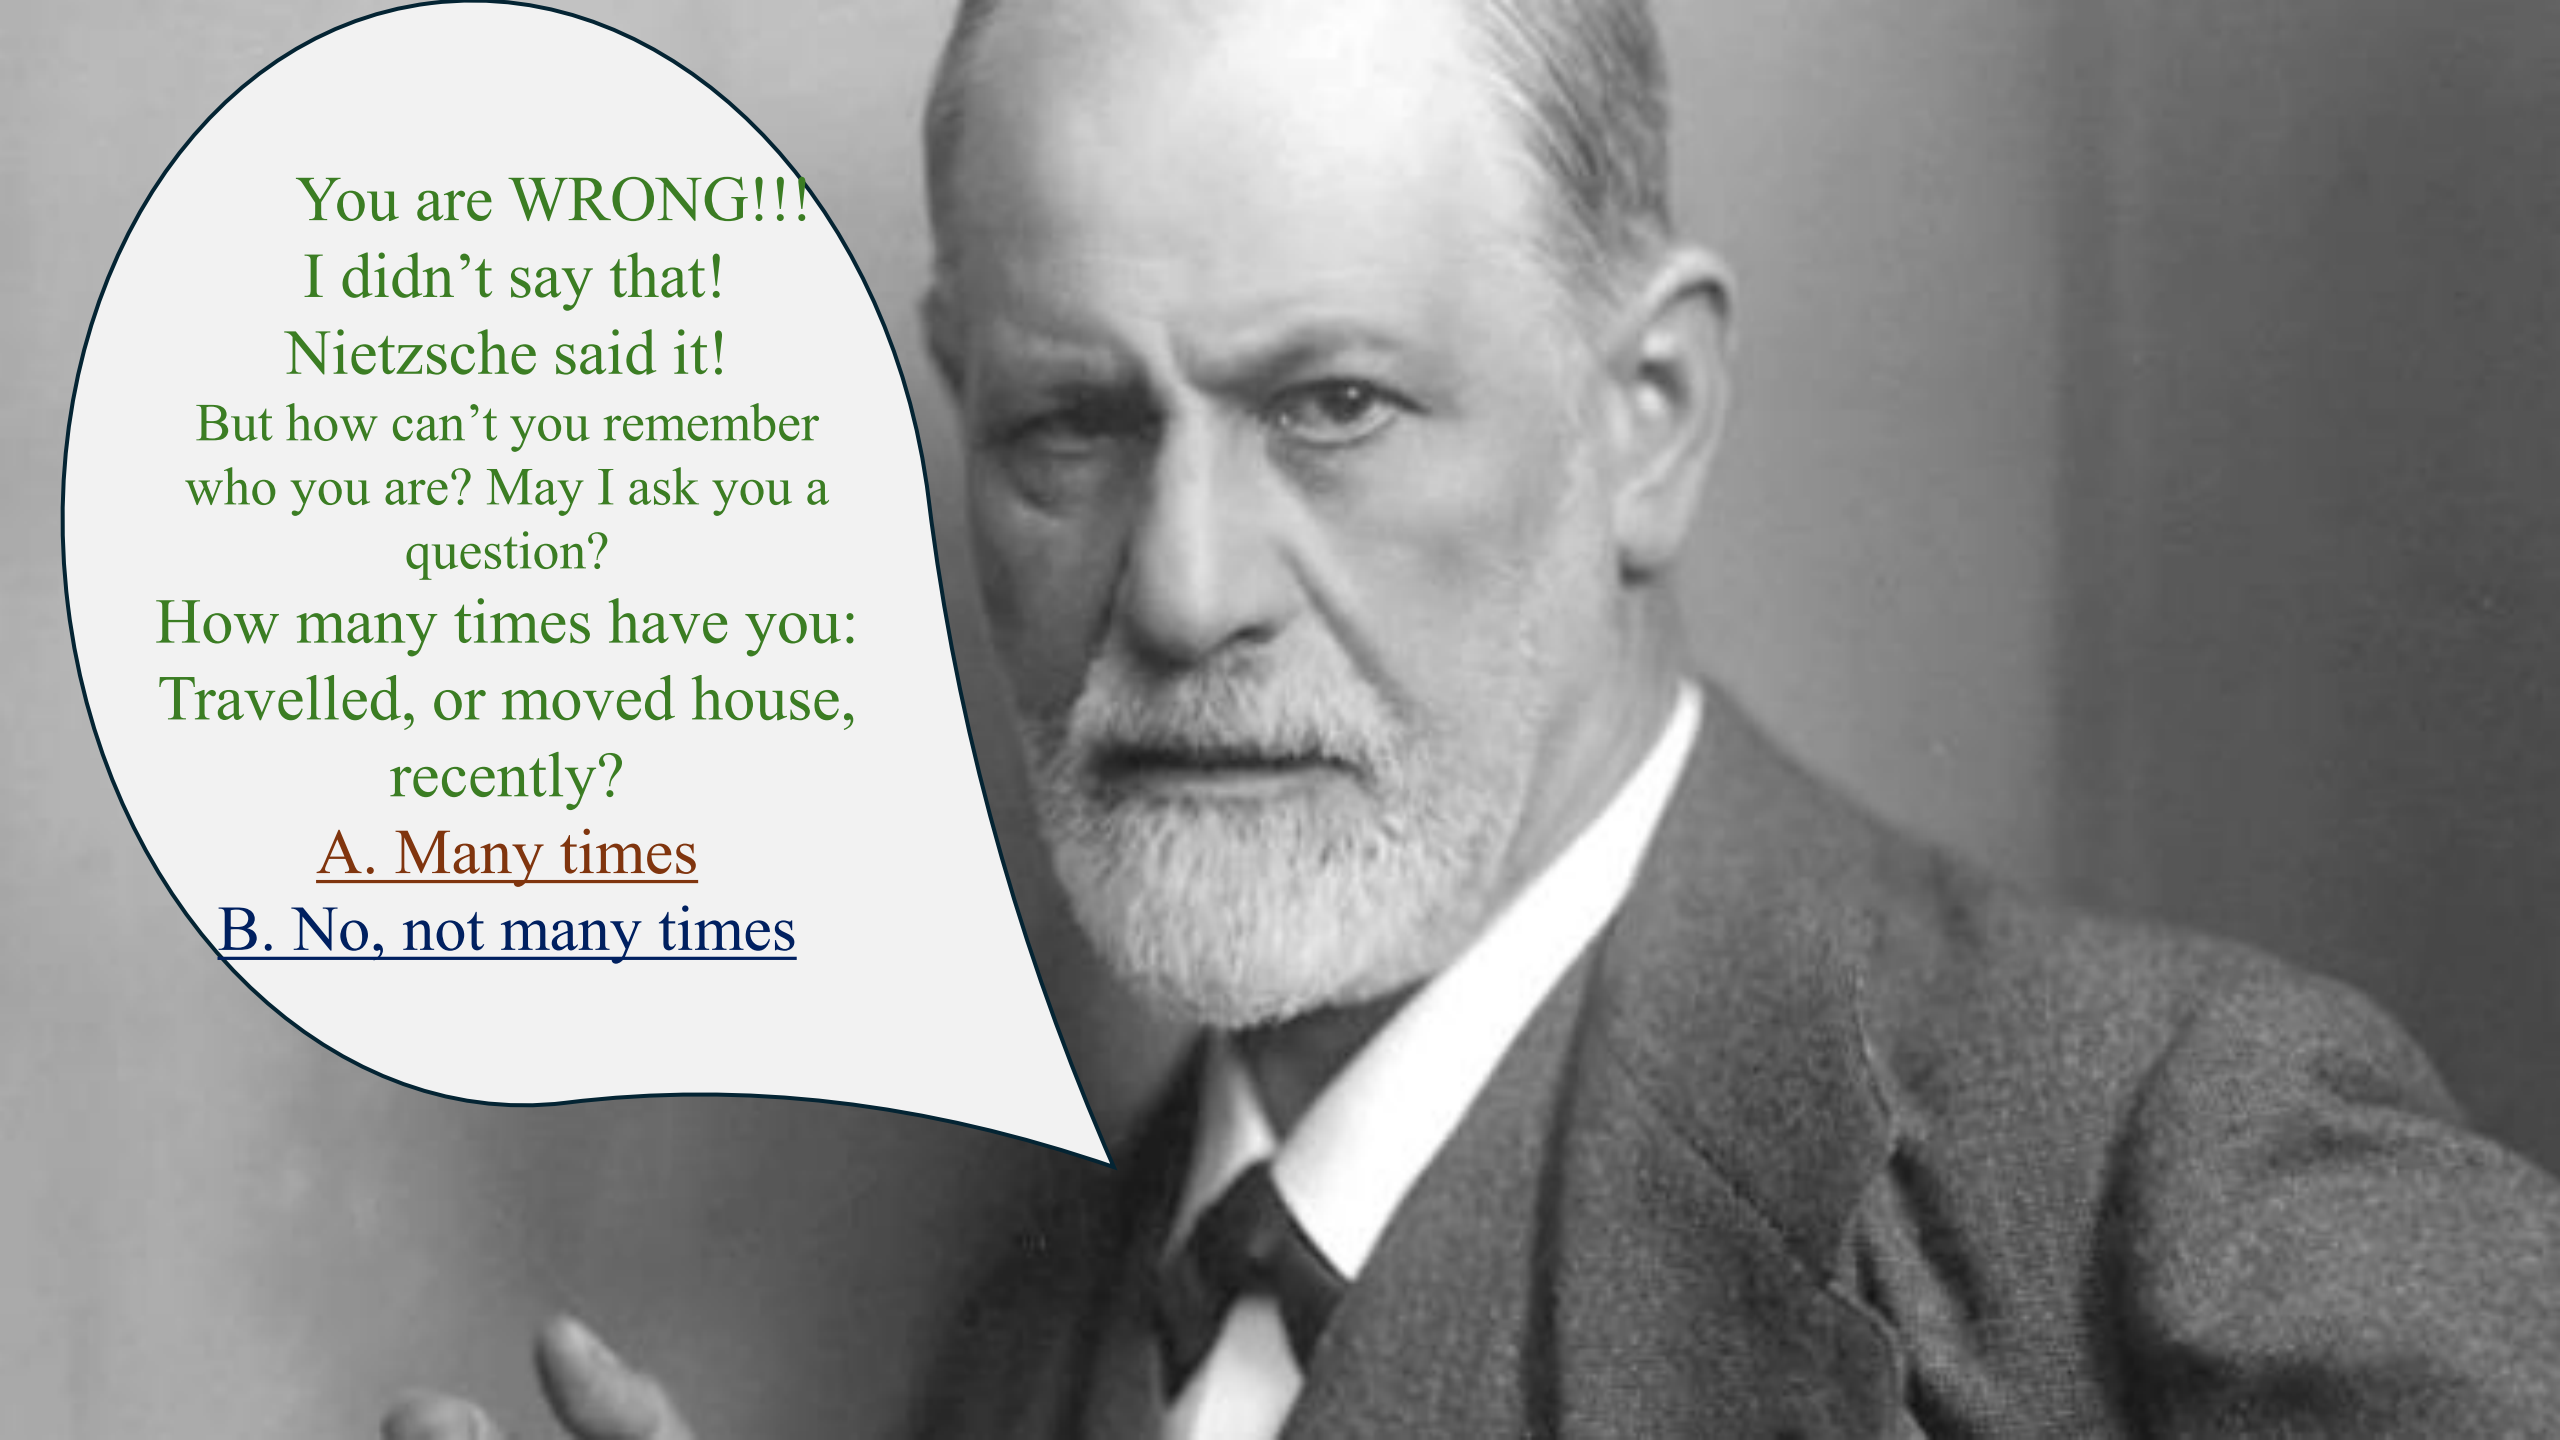

You are right!!!
I'm the one who said that
in 1872
in *Philosophy of Greek Tragedy*!

But how can't you remember who you are?
May I ask you a question?

How many times have you: Travelled, or
moved houses, recently?

- A. Many times
- B. No, not many times

You are WRONG!!!

I didn't say that!

Nietzsche said it!

But how can't you remember
who you are? May I ask you a
question?

How many times have you:
Travelled, or moved house,
recently?

A. Many times

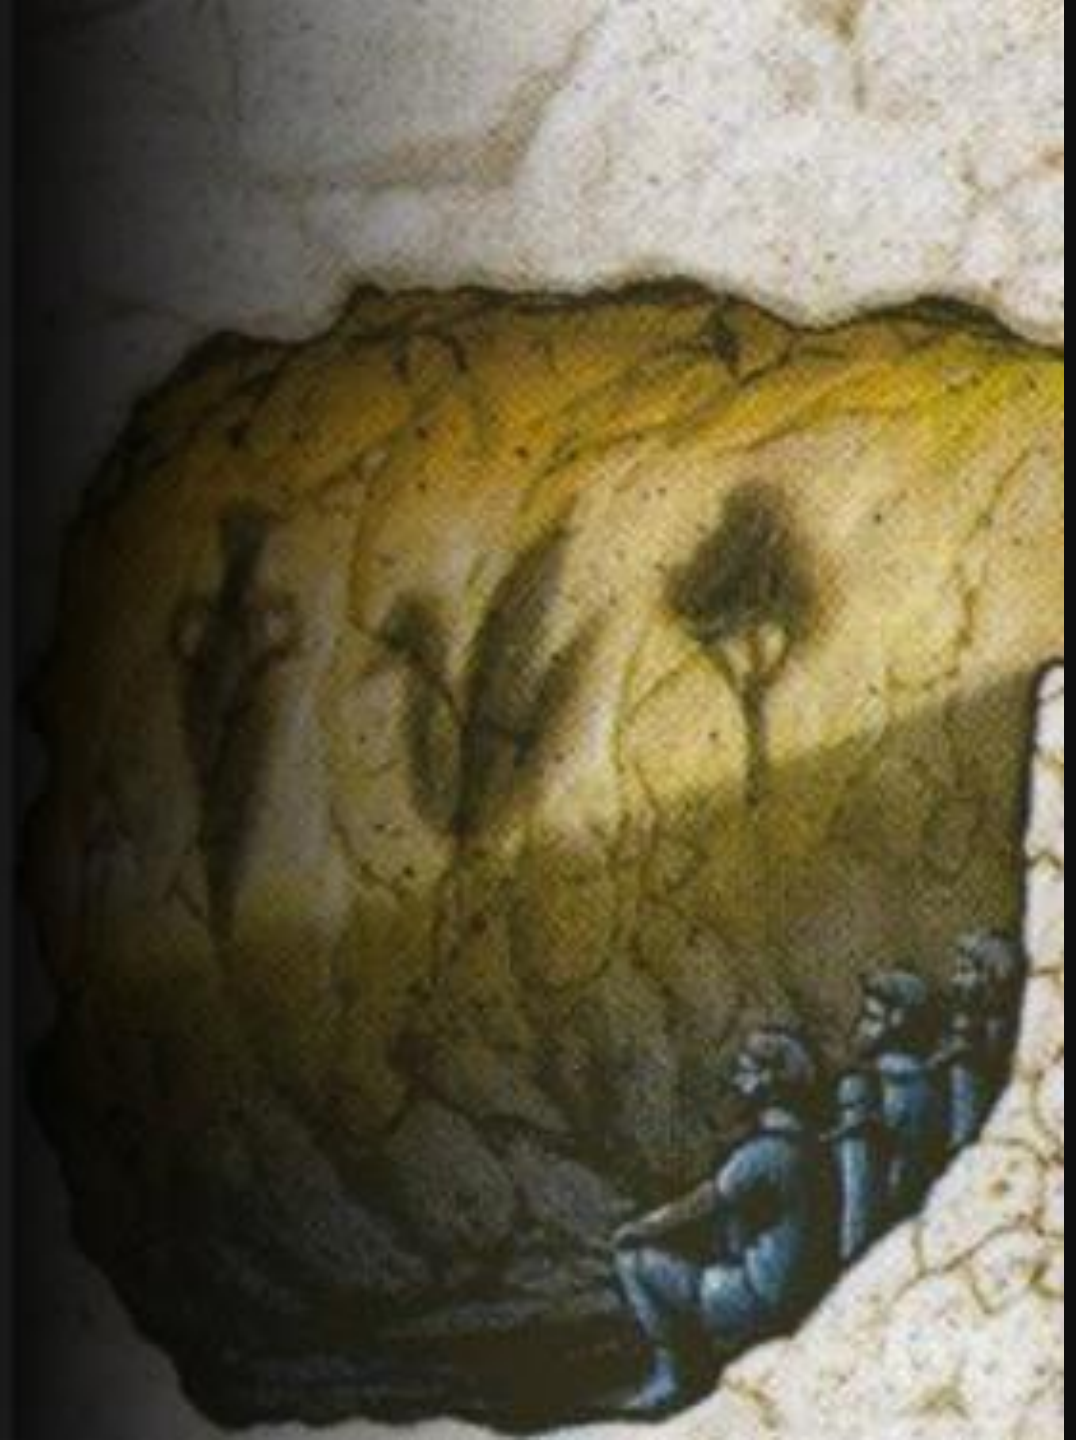

B. No, not many times

YOU ARE NOW IN A CAVE

AND MAYBE THAT'S BECAUSE YOU SAID YOU haven't been moving too much. Now you are stuck in Plato's cave with all its illusions! A prehistoric 4D cinema!

But it was a metaphor that MEANT WE live in a world of representations.

*What is the
truth??????????????*

Now you remember your lost glory,
you were a famous hunter in your hunter-
gatherer tribe. you must have been a great
hunter when you were living the life of a
prehistoric Man, feeder the WHOLE tribe!!!

But where did all your people go?

You don't believe anything of this !

You must be dreaming.

*DAMN! YOU ARE BACK IN THIS DIRTY-OLD
PLACE THAT LOOKS LIKE AN ABANDONED
VICTORIAN-ERA LIVING ROOM....*

What do you do?

A. YOU BREAK OUT THROUGH THE WINDOW

B. LOOK UNDER THE SOFA

You tried to push the
window open, BUT
IT'S
COMPLETELY
sealed.

It's IMPOSSIBLE to
open.

You realize there's an
old codex on the floor
next to the armchair.

You find an old codex...

You turn some
pages...

Until you see
the words:

« PROTOCOLS »

You read this word,
« Protocols »:

A. Out loud

B. Inside your head

Cool. You kept silence.
You can continue reading.

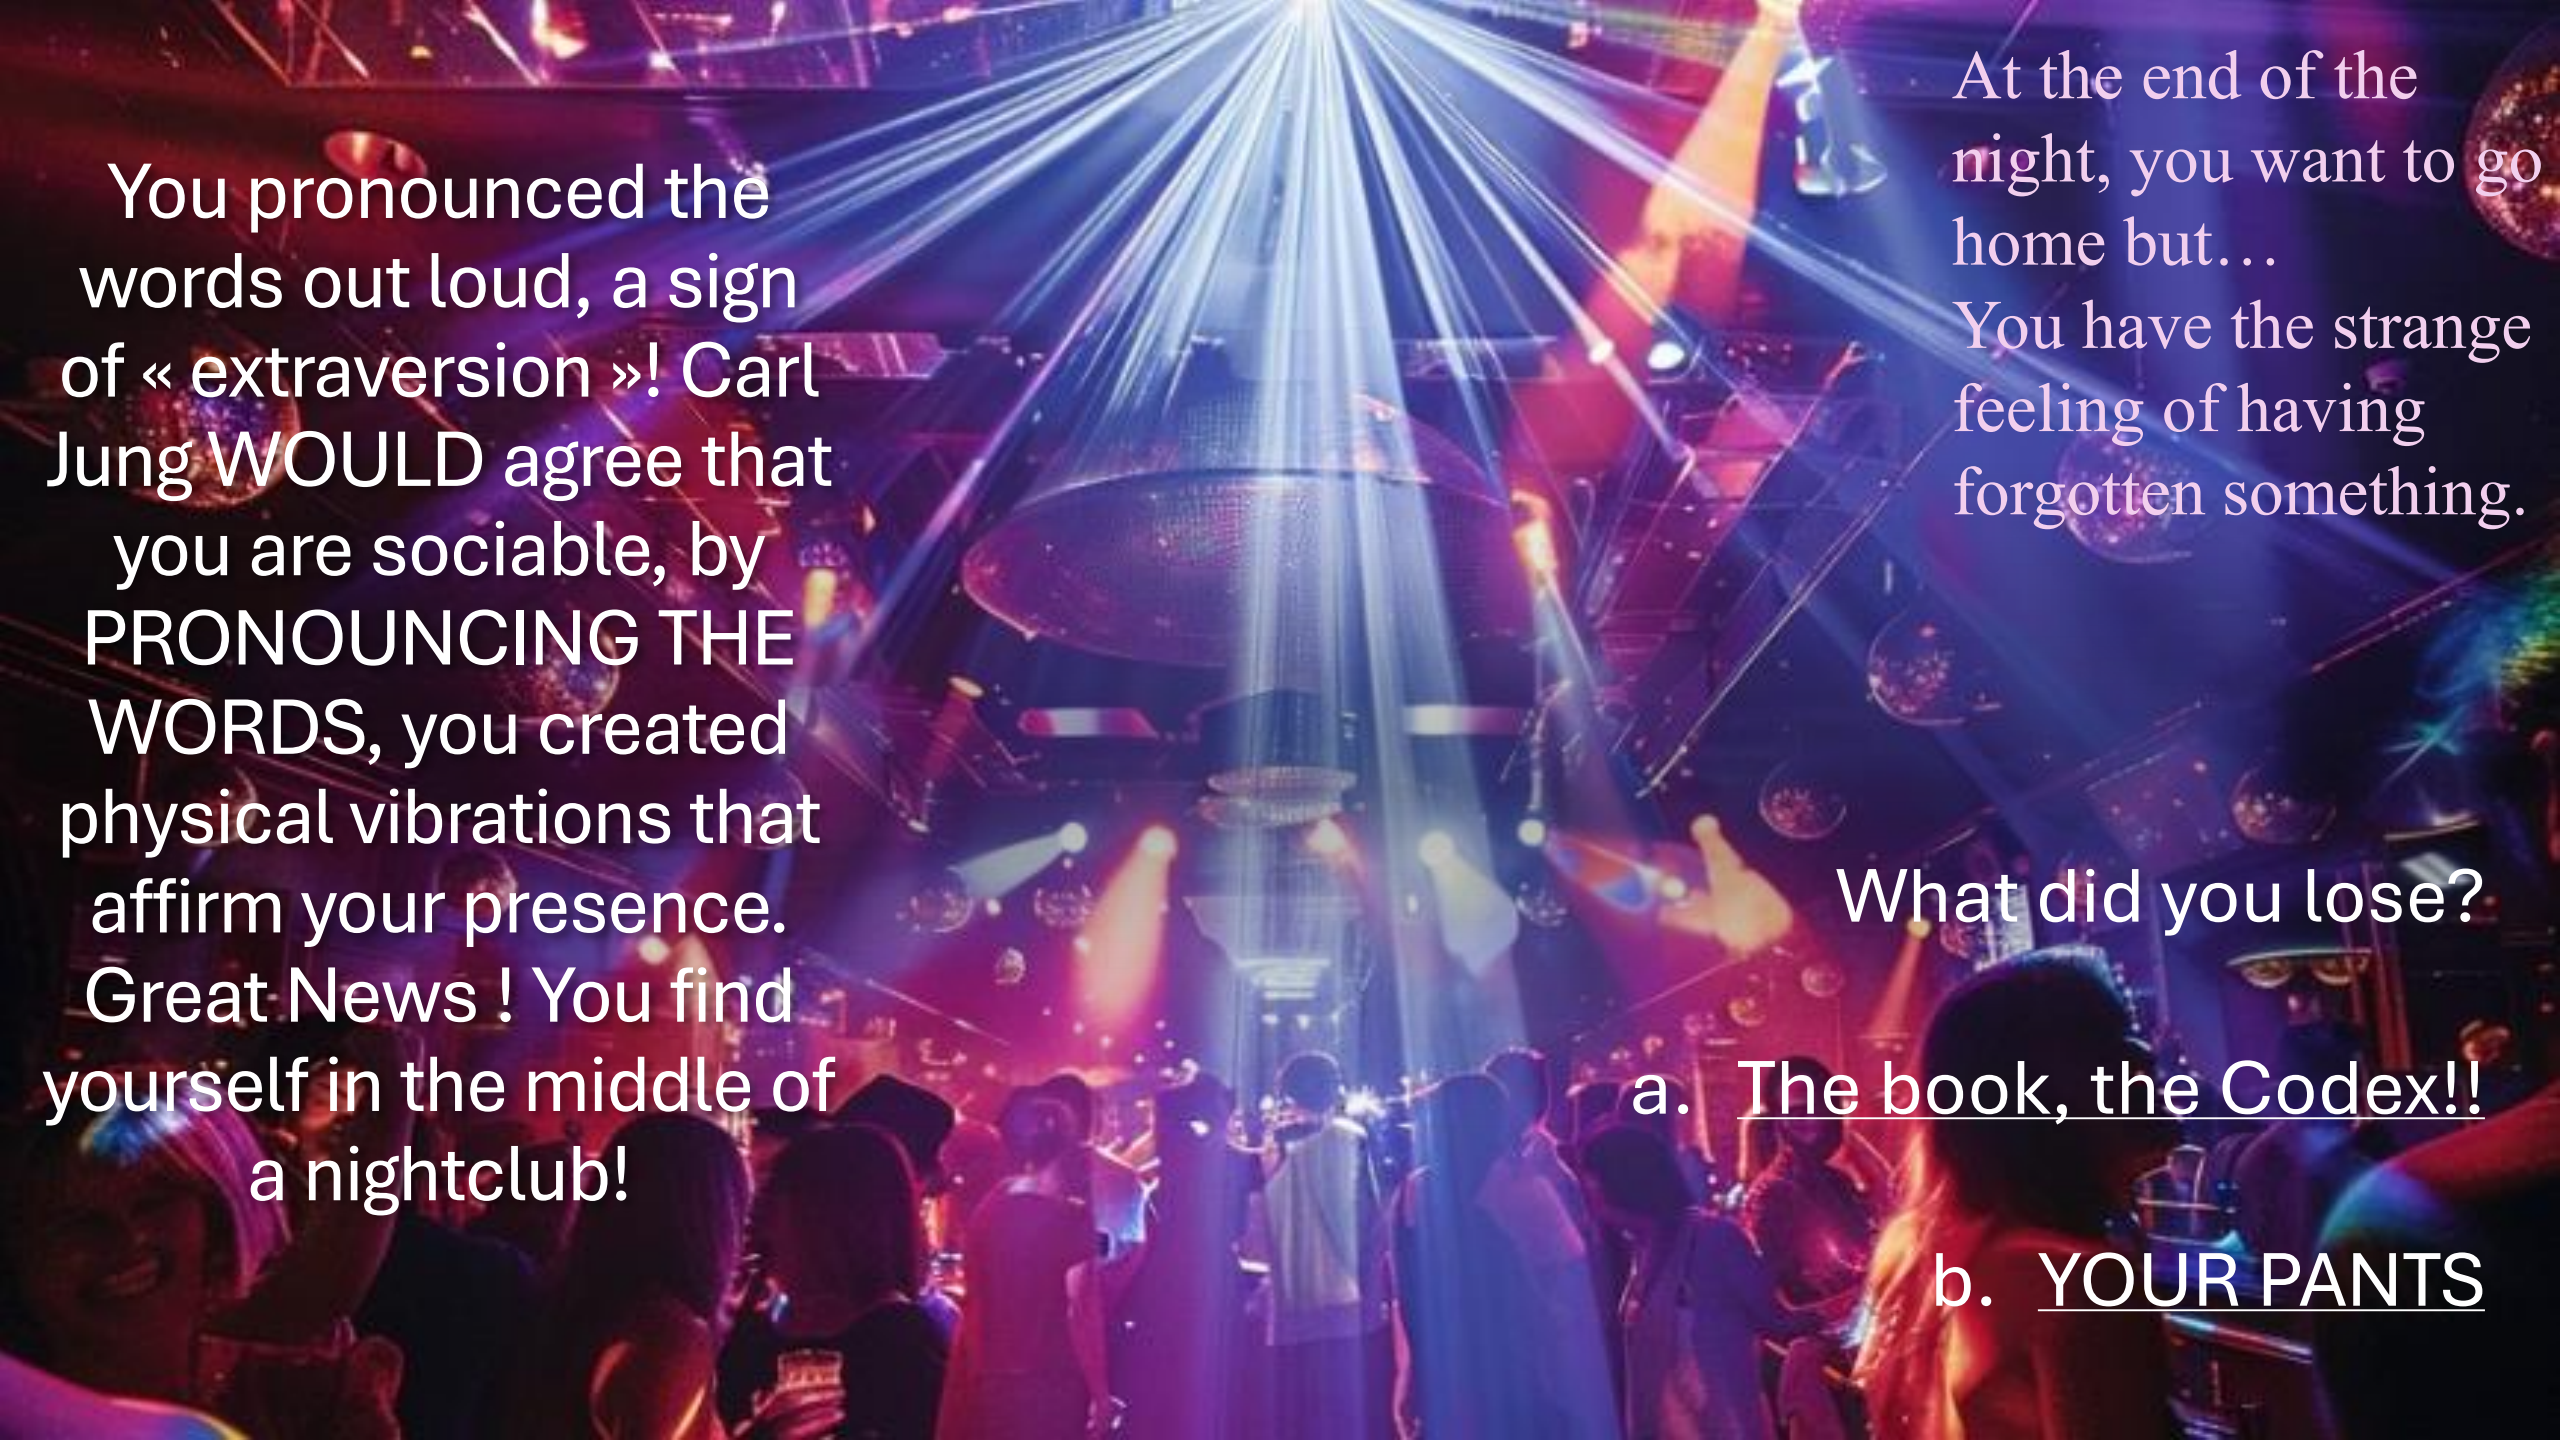

You learn about all the
lies.

Now you know the truth!

And, do you want
to know you who
are??

You are....

You pronounced the words out loud, a sign of « extraversion »! Carl Jung WOULD agree that you are sociable, by PRONOUNCING THE WORDS, you created physical vibrations that affirm your presence. Great News ! You find yourself in the middle of a nightclub!

At the end of the night, you want to go home but...
You have the strange feeling of having forgotten something.

What did you lose?

a. The book, the Codex!!

b. YOUR PANTS

Are you REALLY looking for a
Codex?????? Congratulations!!!!!!

YOU ARE:
INDIANA JONES
and the
LAST CRUSADE

The truth about humanity is that we need each other to survive. But there's a problem. Another tribe seems to be threatening.

What do you do ? A. BUILD WALL TO PROTECT YOURSELF B. ASK WHAT THEY WANT

Did you just decide to « build a wall » ?????? Congratulations, you are back to 2016. And you are **Donald Trump!!!**

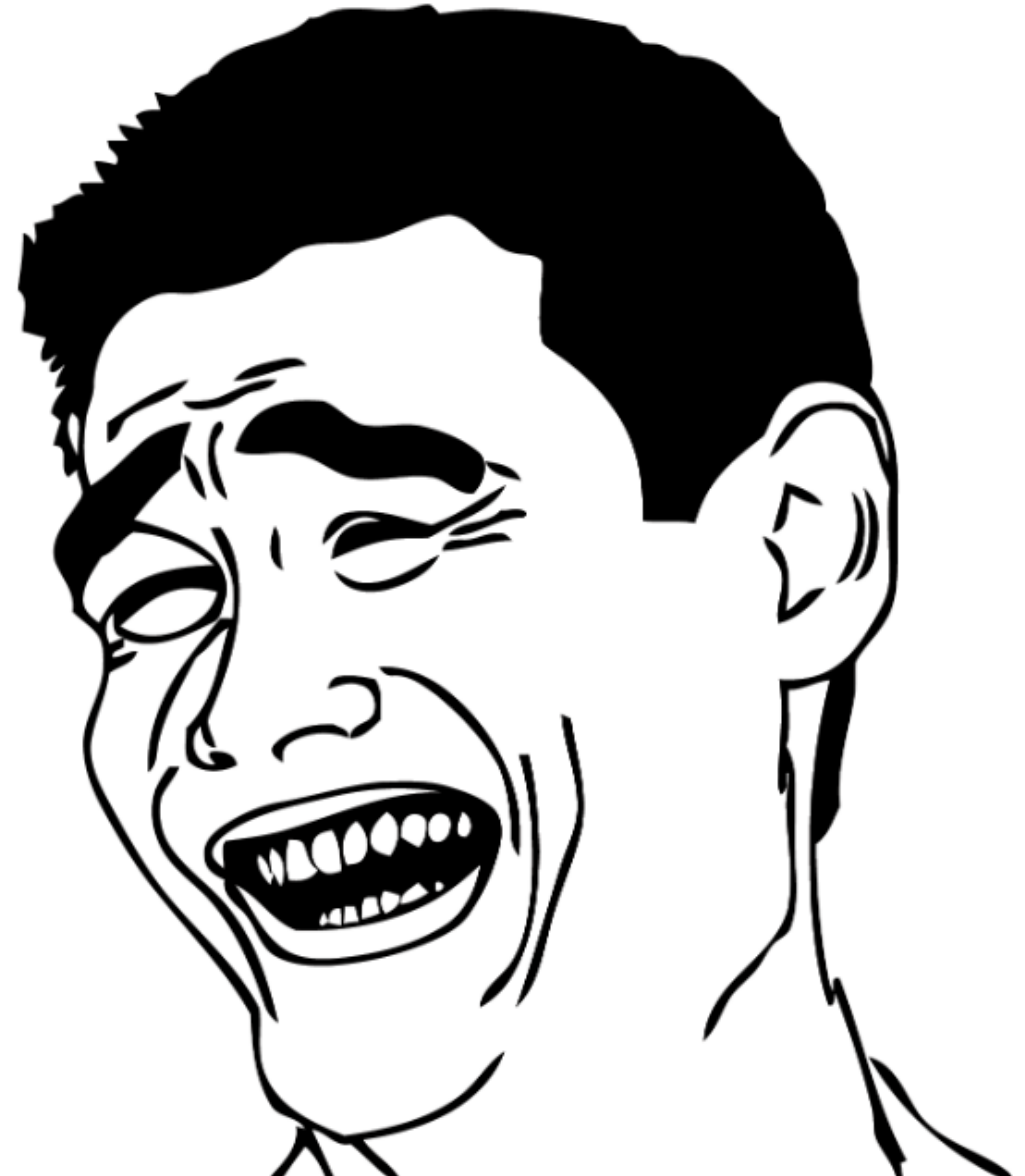

JUST JOKE

Did you just say that you
have « lost your pants »??

Come on !!!
What's wrong with you??

You're just ***a joke!!!!!!!!!!***
